

# The Ambassador's Innovation Roundtable

*presented by the U.S. Embassy in Australia*

in partnership with

Queensland University of Technology

*Every day, U.S. research institutions, businesses, and centers of education engage with Australian counterparts to develop innovative solutions to problems. Following the successful launch of the Ambassador's Innovation Roundtable in July, the Brisbane session will continue to highlight U.S.-Australian innovation success stories, discuss challenges in linking research and development to commercial opportunities, advance priorities in STEM Education, and explore the potential of future innovation partnerships through a series of panel discussions.*

*For more information or to express interest in participating, please contact U.S. Embassy Economic Counselor Matt Murray at [MurrayMD@state.gov](mailto:MurrayMD@state.gov).*

When: Thursday 16 October 2014

Where: Queensland University of Technology – roomthreesixty
